Centurion Health Care Services is the Employer who is responsible for the treatment of inadequate and inconsiderate Care Services Provided by it's employees, which are the Drs and Nurses whom applies medical Care to the Residents of the Central Mississippi Correctional Facility (CMCF). WEDNESDAY, NOVEMBER 28

Read John 11:28-44 ♦ Psalm 102

When Jesus saw her weeping. . . . He was deeply moved in His spirit and greatly troubled. John 11:33

### The One Who Weeps with Us

The grief of losing a loved one cannot be adequately expressed with human words or trite phrases. The sadness cannot be sufficiently or successfully treated with drugs or alcohol. It may fade in intensity, but it never really goes away completely.

"Jesus wept." Moved with deep compassion by the tears of His friends Mary and Martha, Jesus' sympathy overwhelms Him as He is "deeply moved in His spirit and greatly troubled." See how our Lord grieves like we do?

Death always grieves the Lord. When Adam and Eve were found hiding in the Garden, how grieved the Lord's heart must have been! Sin had ushered in death and, because of it, countless tears of grief would be shed, even by Jesus.

But the Lord would not sit idly by and let death win or let the grave have the last word. The last word the Lord would speak would be the Word made flesh suffering the effects of sin by dying on the cross. Then, the Word spoke again by the resurrection, promising all who grieve that, in Christ, grief shall meet its end in Him who promised, "I am the resurrection and the life."

*Lord, when "cross and trial grieve me," remind me that  
"Christ is near With His cheer; Never will He leave me"  
(LSB 756:1). Amen.*

THURSDAY, NOVEMBER 29

Read John 10:10-15, 27-30 + Psalm 37:14-40  
I came that they may have life and have it abundantly. John 10:10

### All Life Is Priceless

Depression has been called the "silent killer," because those who suffer this devastating illness often do so with little or no visible symptoms. Intense internal torment is tearing them apart, but they hide it well. Overwhelmed by hopelessness and helplessness, some see suicide as the only way to relieve the emotional anguish.

Jesus' promise shines a bright light into the darkness of depression. The Good Shepherd lays down His life for all. By His suffering on the cross, He shows the depressed person and all of us that we are worth every second of pain He willingly suffered.

If you are deep in the pit of despair, call on Jesus to lift you up and surround you with His love. His victory over death is His promise that one day, the disease of depression will be destroyed in the resurrection of all flesh and it will never again harm you. You have been redeemed not with silver or gold but with the holy, precious blood of Jesus, who loves you so much. In Him, you have abundant life now and eternally in heaven.

*"Lord, be our light when worldly darkness veils us; . . .  
And in the day when hell itself assails us,  
Grant us Your peace" (LSB 659:3). Amen.*
